9. When the "Digital signature" window appears, click "Read certificate":

The screenshot shows a dialog box titled "Digital signature". At the top, there are two tabs: "Захищений носій (е.ключ Алмаз-1К, Кристал-1 тощо)" and "Файловий носій (flash-диск, CD-диск, SD-картка тощо)". Below the tabs, there is a dropdown menu labeled "Кваліфікований надавач ел. довірчих послуг:" with the option "Визначити автоматично". There are two input fields: "Особистий ключ (Key-6.dat, *.pfx, *.pk8, *.zs2 або *.jks):" and "Пароль захисту ключа:". A blue "Обрати" button is between them. Below these fields is a large text area labeled "Data to sign:" containing the text "Annex to IDM Agreement_.pdf". At the bottom, there are two buttons: "Read certificate" (circled in red) and "Cancel".

10. After reading certificate, click "Sign":

This screenshot shows the same dialog box as above, but the "Read certificate" button is no longer visible. The "Data to sign:" area still contains "Annex to IDM Agreement_.pdf". At the bottom, there are three buttons: "Sign" (circled in red), "Back", and "Cancel".

11. Click the "Save" button

The screenshot shows a web interface for "Contracts". The breadcrumb trail is "PXS > Business records > Contracts". There is a back arrow and a "Save" button (circled in red). Below this is a "New annex" section. Under "Add signed annex", there are three fields: "Contract number:" with a dropdown menu showing "- IDM Sale&Purchase Agreement", "Annex type:" with the text "Annex to IDM Agreement", and "File:" with a text input field containing "Annex to IDM Agreement_.pdf" and a "Search" button.

12. After receiving proposals on concluding annexes to DAM and IDM Sale&Purchase Agreements from the DAM/IDM participant, the Market Operator checks the correctness of information and filling in the fields in the annexes and signs them by imposition digital signature on behalf of the Market Operator. The relevant annex to Sale&Purchase Agreement shall enter into force upon its signing by the digital signatures of the authorized representatives of the parties.

In case of empty fields availability or incorrect information in annexes, the Market Operator appeals to the DAM/IDM participant regarding the need to adjust the proposals made by the DAM/IDM participant to conclude annexes to DAM and IDM Sale&Purchase Agreements. After that, the DAM/IDM participant repeats the actions in accordance with paragraphs 2-11 of this Procedure.

The DAM/IDM participant receives the notification on completion of the conclusion of the annex by displaying it in the field "Annex status".

After indicating the status "Confirmed" in the field "Annex status", the DAM/IDM participant can review the annex signed by both parties in the software system of the Market Operator XMtrade®/PXS and if necessary print it.
